

Scholarship Awards Ceremony 2018

Thursday, 20th December | 11 am

Amy Rustomjee Hall

Women Graduates Union Road

Near BPT Garden, Colaba

Chief Guest: Dr Sunita Mahajan

Dr Mahajan has worked with Bhabha Atomic Research Centre (BARC) for over 30 years where she played a key role in ANUPAM-860, the first supercomputer based on parallel processing technology. A member of the Computer Society of India and also an active member of Indian Women Scientists' Organization, she plans to uplift the teaching quality by holding more workshops/ seminars in colleges. Dr Mahajan's latest workshops were on Cloud Computing, phonegap for Mobile computing.

Women Graduates Union Scholarship Programme (Since 1934)

92 Scholarships awarded this year.

Women Graduates Union awards scholarships and grants to women and girls who are agents of change. Need-cum-merit based scholarships are disbursed for students in research, undergraduate or professional courses.
